

# Meet The **GRAD STUDENT** **Susie Masecar**

**What most excites you about your field?**

Better understanding diseases can help us prevent species extinctions.

- Piovia-Scott Lab
- Vancouver Campus

**Life before grad school:**

I was practicing as an exotics veterinarian.

**Where did you move from?**

Raleigh, NC

**Fun fact**

I have a "rescue" cane toad.

**Can't live without:**

Big trees!
